Maybe that's having more time to do the things you love, to no longer be chained to your desk or just the freedom to be 100% your authentic self. This book is to help you break free of the shackles you have placed on yourself in the past, and create a life and business that has you so in love with life, you'll be that deliriously happy person on Facebook that others start quoting. I'll share with you strategies for overcoming self-doubt, how to use fear as a driving force, rather than a roadblock and the business model that supports your most epic, ultimate lifestyle. By sharing my no filter experiences, I hope that you will be inspired and be able to apply what you learn in your own life. It's about time we all started embracing everything we are, the good and the bad, and start enjoying life on a whole new level. (Plus I made sure the text was super big so it's easy to read.).
