## Whose Son Is He (Paperback)

By Albert Gardner

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While preparing a lesson on "The Virgin Birth", I discovered a shortage of research material. Commentaries were helpful but by their nature did not supply all the information needed. I determined to continue my search and write some on the subject. Since the virgin birth, or the Sonship of Jesus, is the very center of Christianity, one would think the religion section of the libraries would be overflowing with books on this subject, but this was not the case. This study involves the virgin birth, but it is much broader by a study of other things that point to His Sonship. It is my sincere hope and prayer that this book will not only fill a place in a library but will strengthen the faith of those who read it, with the hope it will cause the reader to determine to follow closely the perfect example set by the Son of the Living God, who has gone to prepare mansions and will return to take the faithful to that home in glory.
