

Elusive Eden Elucidated: And Nautical Noah vs. the Naughty Nephilim (Paperback)

By D George Harrison

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Genesis and Exodus stories in the Jewish Tanakh and Christian Old Testament are indeed simple expressions of events long past, especially the stories about the Garden of Eden and Noah's ark. By twenty-first century standards, they are now deemed by many to be so simplistic as to be irrelevant at best, or at least fabrications to be mocked as baseless. These stories are neither irrelevant nor fabrications, as I hope to demonstrate via legitimate science and mainstream Christian/Jewish-scripture-without compromising either's intent or integrity. This book is all about trying to understand origins and ancient events as they relate to the Genesis stories. This is not about a new theology and not a new view of scriptural intent. It is about dealing with the physical to better appreciate the metaphysical. So, it's time to fasten seatbelts, place seat-backs and tray-tables in their full upright position, and stow preconceived notions and blinders in the overhead storage compartments.

Reviews

This book may be really worth a read through, and far better than other. it was actually written extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- *Lillie Toy*

It is easy in read through easier to fully grasp. it had been written very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be the very best book for possibly.
