

## Real Snacks: Make Your Favorite Childhood Treats Without All the Junk

Filesize: 7.31 MB

### Reviews

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Sasquatch Books, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Brilliant! All the childhood treats I'm nostalgic for in one smart volume. Toaster tarts, cereal bars, and ice cream sandwiches made from real ingredients? I'll take one of each, please." Heidi Swanson, author of Super Natural Everyday "Lara's book is a beautifully photographed selection of "goters" (snacks) that will make you want to rush into the kitchen and bake for your children, family, and friends. If you feel short of ideas to make healthful snacks (also gluten free and vegan), her book has the answer." Ba Peltre, La Tartine Gourmande "Real Snacks is a dream come true. We all know we should eat quinoa, kale, and carrots at every meal, but sometimes we need a treat. If that treat is made with whole grains and alternative sweeteners, all the better. Lara Ferroni's playful yet truly helpful book introduces readers to unfamiliar ingredients such as amaranth flour or coconut palm sugar in the midst of making moon pies, chocolate toffee bars, and crunchy cheese puffs. That so many of the recipes can be made gluten-free is a boon for those of us who have to avoid gluten entirely. Now, if you'll excuse me, I'm off to make some nacho cheese tortilla chips." Shauna Ahern, Gluten-Free Girl "This book, like Doughnuts , punches way above its weight in every category--aesthetics, recipes, variety, and nostalgia. All your childhood favorites are here: twinkies, Hostess cupcakes, powdered donettes, caramel corn, fig newtons, goldfish, moon pies, sugar wafers, pop tarts, thin mints, cheez-its. The mindboggles!! I really can't believe Lara has put this together! Gluten-free and vegan options make it accessible for everyone. This book is worth every penny, and would be tremendously appreciated by anyone who loves baking!"...
