Reluctantly answering the call, Alexander leaves his home and his beloved Sarah and travels to Ulster, to find himself among a family torn apart by secrets and long-buried resentments. In the course of seeking out the author of the curse, Alexander becomes deeply entangled in a conflict that involves fugitive priests, displaced poets, rebellious plotters and agents of the king. Confronted by murder within his family, he finds the lines between superstition and faith, duty and loyalty are becoming increasingly blurred, while his Scottish homeland grows ever more remote.
