Herding is a great sport, but it is also a tough one to learn. Think golf where the ball, club and obstacles move - all at the same time! A good trainer is a must, but other resources are also valuable. This book hopefully will serve as one of those resources. Filled with tips, suggestions, advice, and other information, it will help the novice herder get better at their sport. Remember though the most important lesson in herding - have fun with your dog!.
