2013. Hardcover. Book Condition: New. 400 About the Book This is a thrilling tale of changing of political structure and imparting social democracy in a country with very ancient heritage of orthodoxy with anti-democratic, anti-national and anti-human character that marched through the bumpy paths of traditional hurdles and difficult process of democratization initiated by the British Bureaucratic Democracy soon after the destruction of Paris Commune in Europe in 1871. The saga of this modern movement and cry for equal political rights to have proportional representation in the instrumentalities of the state i. e. Legislature, Executive and Judiciary eventually took a pathetic turn to ugly hatred between communities. The creamy-layer-ruling classes, foreign and Indian combine eventually pushed the country towards partition and declare the unfortunate untouchables and tribes of Eastern and Western India foreign nationals.
