Robertson Publishing, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Enjoy a book for teachers and parents that embraces and enhances mindfulness Teachers will acquire tools to discover if students truly understood a lesson, if a major unit of study achieved its goals, and, if a classroom system causes more pain than joy, how to analyze it and improve it. Parents will discover that the same tools teachers can employ to improve their classrooms, will work beautifully in their homes. These tools for awareness and improvement weave around the true story of two non-reading third graders and their teacher s efforts to help them grow into successful readers. About the author: Richard Pope taught elementary school in San Jose, California for thirty-five years: seventeen years teaching fourth- and fifth-graders, and eighteen years teaching first-, second-, and third-graders. Richard lives in San Carlos, California.
