But these words are not just words. They tell stories. They create images. They inspire. They lift up. They speak life where there is death. They speak hope where there is despair. They touch minds, hearts and souls. These words are not just words. They breathe life. They create hunger. They stimulate growth. These words are not just words. They make you think. They make you think about yourself, your life. They make you think about others. Try these words. I challenge you. Taste and see if they are just words.
