Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A simple way to understand oneself. A book for everyone, for every day problems with every day simple language. Through his life-changing new book, Discovering the International Human Bully Parisi shows why the real bully is our ego or human side . After understanding and accepting this bold revelation, readers will discover an amazing new way to understand themselves, their problems and their relationships with others. The enemy is the human side of us. We need to go to the next level, the being level, and the level of who we really are. The whole idea is about not having the human side of you, the ego, in charge of your life. The human side of us has, and is, committing mental and physical violence against itself and others! It must be stopped for the human race to survive! Just take a look at Washington - Ego greed is stopping politicians from coming together to come up with answers to our country s problems, says Parisi. Continuing, My book helps readers answer vital questions such as what is the game of life? What is work and school? What is the best kept secret in America? and what is nature s true success formula? Through inspirational poetry, advice, mini games and reflections, all readers will be empowered to defy their own DNA and triumph in all areas of life. It s spiritual, but doesn t disturb to question any of the world s religions. The middle class made this country, the USA, great and everybody came. Then, it also gave humans freedom to a crazy person; the human, a self destructive creature that does not like...
