Develop original creativity enhancement products such as writing vocational biographies. Solve problems and publish measurable results. Design practical media projects that easily can be turned into home-based businesses or one-time projects. Homeschoolers, parents, teachers, students, entrepreneurs, and workers interested in opening powerful, affordable-budget, trend-ready home-based publishing, writing, or video podcasting and video news release-production businesses and creative writing fundraising events will enjoy these unique applications to help you create your own board games, projects, businesses, publications, and events. Sample business start-ups (or one-time project) categories include the following categories: description of business, income potential, best locale to operate the business, training required, general aptitude or experience, equipment needed, operating your business, target market, related opportunities, and additional information for resources. Develop practical projects using the skills of video production, creative writing, book and pamphlet publishing, or newsletter design. These skills include adapting stories, novels, news events, or scripts and skits to numerous platforms, formats, and media types. Inform others how to avoid pitfalls and blind spots that can derail careers early in the game. The campaigns are ideal for most promotional, business, or training situations.
