America Star Books, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Children, by their very nature, cause adults to see the world in a totally different light. Their poignant and often humorous approaches to their surroundings often astound the adults around them. Through a collection of memories from nine years of teaching, Jami and Niki Roethe share the insight they have gained from the students in their care to honor educators, parents, and anyone who has a chance to influence the younger generation. The stories contained here allow readers to marvel at the insights of children, appreciate those who instruct them, and laugh a little.
