WARNING: This is not the actual book To Kill a Mockingbird by Nelle Harper Lee. Do not buy this Study Guide, Summary Analysis if you are looking for a full copy of this classic book. Instead, our expert literary critic has already read To Kill a Mockingbird and pulled out the key characters, events, and action points to give you a comprehensive chapter-by-chapter summary and review guide in a clear, concise, easy-to-understand format. Because of its retrospective narrative style, To Kill a Mockingbird is precocious and funny, satiric and wise. Scout s commentary and understanding of her bewilderment at six years old make for unique storytelling that is irresistible to any reader. This 30-minute review guide is both entertaining and jam-packed with information. It conveniently lays out all of the book s hidden gems: plot points you might miss, symbols that only become obvious on a second or third read-through, and themes that affect your understanding of the story. You ll be guided through every twist turn of Harper Lee s classic novel, giving you a deeper analysis of this classic work of American literature while helping you rise to the top of the class. What else is included? 1) Character Reference Guide 2) Plot Summary 3) Analysis of Themes Motifs 4) Discussion of To Kill a Mockingbird s Legacy Impact Many students use this summary to cram for an exam, of course. But most students first read a chapter of the full book, and then they read the corresponding section in our guide. Regardless, this is your map when you re deep in the intricate sub-plots and fascinating imagery of To Kill a...
