Jazzy Kitty Greetings Marketing Publishing Co, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book will attempt to open the eyes, hearts, and minds of its readers to God by presenting well-known and some not so well known facts found in humans, nature, and the Holy Bible. It will implore the reader to give some serious thought to what is being said. It will also attempt to present its knowledge in a simple and commonsense way to be understood by nearly anyone from adolescent to adult. The book's intention is to provide a lesson that is both logical and thought provoking. I want you to really think about what is being said, not only for the purpose of questioning it, but also to question what you may or may not have been taught about this subject over the course of your lifetime. It is not intended to offend, but will present truths and questions that may be hard for some to accept. GOD ISREAL And We Are Living Proof is a book that will help you recognize - or perceive - God's handiwork in everyday things that are common to all of us. In fact, it uses a common sense approach, not only to make a case for the existence of God, but to present Him in a way that you might accept Him - by accepting His gift to you - Jesus.
