During this time I noticed that a large number of people would rather leave everybody else to do their work for them, instead of taking their own initiative and getting the work done. For students, this was acceptable; after all, they had been trained by their parents, and by their teachers to do things a certain way and unfortunately that meant that they were not encouraged to use their own creativity or initiative to think for themselves and make their own decisions. But this was not acceptable in adults, who were afraid to take decisions even in cases of emergencies, because...

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
