Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Historical Literary Associations of the South-Sea House Any account of the South Sea House should begin before the laying of the first stone; before, even, the founding of the Company from which it took its name. To most people the South Sea Company and the South Sea Bubble convey synonymously a more or less accurate impression of a period of history when a whole populace went suddenly mad. The famous Bubble is not the only example that history affords, either before that time or since; but it is, perhaps, the most illuminating. The story puts into high relief one of the strongest instincts in man - the possessive instinct - at a time when it was uncurbed, naked, and vulgar. So fascinating proved the prospect of easily gotten wealth that England was turned, as a contemporary wrote, into a nation of stock-jobbers; and if people were not conscious of their own shrewdness, most of them suspected as much, - until their savings had changed into suffering. That was two centuries ago. Probably, in these days, a project of the same magnitude and as calamitous as the South Sea Scheme would be pushed as successfully as Mrs. Partington s broom was against the Atlantic breakers. This does not flatter the modern man. Whether his wisdom is at all superior to that of his forefathers is a question ever likely to survive debate. The point is that if the speculating mania is more curbed than it was in Anne s day, progress is reflected not so much in the man, as in the course of painful and imperative legislation. Yet curiously enough, if we survey, however briefly,...
