With his talent for divining the future, Alex Verus should have foreseen his friends reactions to the revelations about his previous life. Anne Walker no longer trusts him and has also cut all ties with the mage community after getting kicked out of the apprentice program. As a favor to Luna, Alex s own apprentice and Anne s best friend, he checks in on her only to be told to leave her alone. Then Anne gets kidnapped. The Council Keepers of the Order of the Star believe Dark mages from her past may be involved. Working with the Keepers, Alex and Luna discover that Anne has been taken into the shadow realm of Sagash, her former Dark mage mentor, and they must find a way to rescue her.
